On November 3rd, the class of 2017 came together to go on the walk they've been waiting for since they were freshmen. It is surreal to have finally made it to senior year, and it dawns on everyone that graduation is less than a school year away during the walk.

## EMORY G. ABAR

"If you don't know where  
you're going, any road  
will take you there."

*-George Harrison*

High school has offered some great philosophy on life. It's shown me the highs and lows, the good and the bad, and has let me expand as an individual. It's hard to express the value of the insight offered to me by my teachers in so few words, but the knowledge that I've gained will transgress far past these classrooms that I'm soon leaving behind. I also can't forget those spring afternoons spent at Town Cove with the Sailing Team along with the chaos and laughter that ensued.

## ANTHONY ADELIZZI

"Live for Today, Dream for  
Tomorrow and let the  
Memories last Forever!"

*-Unknown*

The last four years have shaped me into a hardworking, enthusiastic, responsible student, Varsity teammate and senior class senator. I will always remember Nauset Varsity Golf and thank you Mr. Hicks for giving me this opportunity to show my true sportsmanship. I would like to thank my Mom, Dad, Summer, family, Mrs. Bartolini & friends for all their love, support and encouragement in helping me become the best version of myself. My immediate future includes studying Business Management in preparation for a career in Golf Management.

## SIERRA J. AGUIAR

My Nauset experience has been a great one and I can not believe it is almost over. Thank you to the teachers who helped me grow and inspired me to keep trying when things got hard. Thanks to the life long friends I have made over the past four years who manage to make me smile every morning and a special shoutout to my best friend Maria Brent who was by my side through it all.

I will never forget my time here or the amazing people that I've met. I'm looking forward to see what life has in store for myself and everyone else in the class of 2017. Thanks again for the amazing memories.

"We discovered that education is not something which the teacher does, but that it is a natural process which develops spontaneously in the human being" -Maria Montessori. Nauset offers a wide variety of classes in every subject. We had to chose what we wanted to take, and in doing so we chose to learn. A teacher can present new information, but it's always been up to us to decided what we wanted to do with it. Nauset taught me not to learn because I have to, but because I want to.

## EMMETT B. COLLINS

## NEIL CONNELL

"Don't worry about it."  
-The Hangover

There's way too many people to say thank you to, so, thank you to everyone. Captains Brendan and Will... Grab the handle and let's take this whole thing down. I would say something about you, Wyatt, but it's just a little too short.

## HANNAH K. CREMINS

"You know, I've realized that  
I'm probably just perfect and  
it's everyone else around me  
that's got issues."

-Scott Disick

Advice from a Senior- 1. Do it because you want to, not because you think you have to: It's never worth doing if it makes you unhappy. 2. Be Nice: Whatever mean thing you are about to do will never make anything better I promise. 3. If you aren't stressed, you aren't human: At the end of the day that history quiz grade will not matter; but don't let anyone make you feel bad for caring about it. 4. Don't be afraid to try: the worst feeling will be walking out the doors on graduation day with regret-no one ever regrets trying.

*I, Hannah Cremins, bequeath the pain of scooping ice cream during the offseason to Dakota Costa, and endless hours of complaining about nothing to Blue Fancy.*

## MIA A. D'AMBRA

Nauset was probably the best thing I've done in a long time. The people I've met here are amazing and have such kind souls. If it weren't for Gina Trott, I wouldn't be where I am within Nauset. One thing I do want to say is 'thank you' to all the teachers I've had the past two years. Even though I didn't get to know all of you the way I wanted to, I just want to let you know you've all impacted me more than you know, and again Thank you! Thanks Nauset for showing me education is important!

*I, Mia D'Ambra, leave all my stresses from Mr. Castellano's class to Arianna D'Ambra.*

unique."

-Walt Disney

The past four years at Nauset, have memories and friendships that will last a lifetime. I have grown so much as a person, and I am more than happy that I had the Class of 2017 alongside me for this journey. Thank you especially to Brooke Linnell for always being there for me and for being the best friend I could ask for over these past four years.

*I, Nika Dadoly, bequeath daddy's love to Hunter MacDonald and Coleman Norton, captainship of the girl's tennis team to Bevin Burns, and a season of success to Nauset swim and tennis.*

Thank you to all of my friends; old and new, still thriving and shriveled-up and dead ones. Without all of you, I would not be who I am today, and who knows where I could be now. Thank you to Oscar and Jeremy (who shall remain semi-anonymous) for helping me understand who I am, helping me come out of my shell, and helping me accept the beautiful person that I am.

*I, Kiarra Dean, bequeath my place in the Meme Monarchy™ to Vivian Stansell.*

To Symone, Mrs. D & the rest of FCA, I can't thank y'all enough for being there for me the past four years. Nauset has brought so many amazing people into my life, and it's hard picturing the future without them by my side, but I know that we all, every single one of us, will go on to experience and accomplish truly amazing things. Class of 2017, we ran this beach.

I can't say that high school was ever easy, but I thank Nauset for shaping me into the person I am at this moment. Although it took me a long time, I have figured out who I am and what I love within these four years here. Certain teachers have really helped me along my journey, certain friends have come and gone too, but I am in a happy place. I've learned to waste no time on the things that's will leave you unhappy, its not worth it. I've learned to take a few chances, what's the worst that could happen? And I've learned that the best things in life truly are free. I don't know what my future has in store for me, but as long as I'm happy, it can't all be that bad.

It's been a long four years yet no one could convince me that it wasn't yesterday that I first stepped onto this campus. The classes were long and the quizzes were countless but nothing taught me more than what I learned out of class. Thanks to my peculiar memory, I will never forget useless trivia from science and history that I will only use if I'm 50 and watch jeopardy every night. But I still enjoyed at least part of my time here, and I wouldn't choose another school over it.

If I were to parallel my years here with another experience, I'd have to say riding a rollercoaster. It was a bit nerve-racking when it started, there has been plenty of ups and downs. Yet overall, it has been enjoyable. To my parents, words cannot express how thankful I am for all the love and support you've given me throughout the years. To my friends, you've been a second family to me. We've shared good times and bad, but through it all we stuck together. We cannot judge a biography by it's length, nor by the number of pages in it. We must judge it by the richness of its contents. Sometimes those unfinished are among the most poignant. We cannot judge a song by it's duration, nor by the number of it's notes. We must judge it by the way it touches and lifts our souls. Sometimes those unfinished are the most beautiful. ## *School Within a School*

**M**ore commonly known as SWS, School within a School is an alternative program that is offered to juniors and seniors where students gain a more hands-on approach to learning. The program is a more project and field trip based program which gives students a different way to experience school. This course combines the subjects of history and english through projects and field trips that not only better the students' knowledge, but brings them closer together. Diane Keon, Karen Novacon, Juile Quigley and Paul Davies work together to creatively teach and create a special bond with their students. It is important to the SWS program to make sure the students are having fun while learning.

# In loving memory of JEREMY SPENCER LINN WALTERS 2000-2016

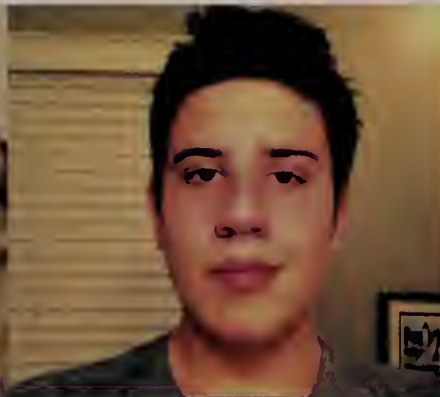

Jeremy S. Walters, a junior at Nauset High School, was a bright young man who always spread his wealth of knowledge and loving generosity to everyone who knew him. While at the high school, Jeremy enjoyed ASL and participating in the Nauset Concert Choir. Jeremy had a great love for music, his family and his friends. He left memories of a smile that will remain a part of Nauset forever. He will be greatly missed, but never forgotten.

# VISUAL ARTS

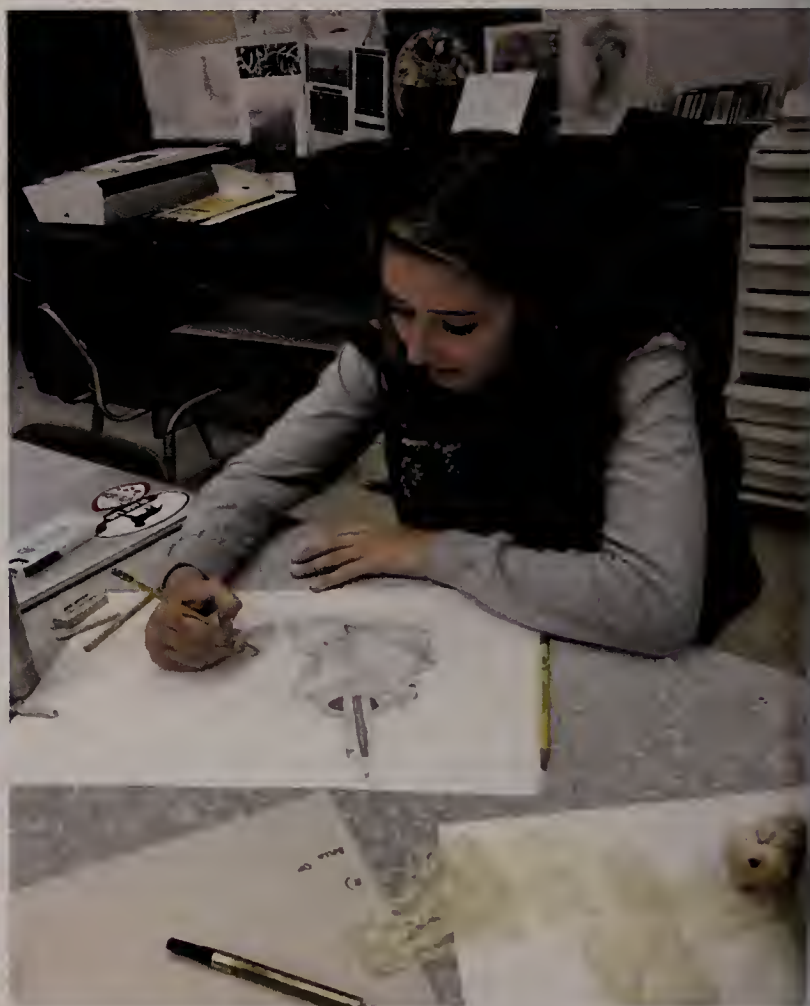

The Arts department was very successful this year. Students were able to develop their art skills in the beginning classes, and work on more complex projects in the advanced classes. Some talented Nauset students had their artwork chosen for a Boston Globe award. The Boston Globe Gold Key winner is Jackson Stockade. Silver Key awards went to Ethan Craven, Jake Eldridge, Stephan Kalinick, Madison Morris, Seamus Murphy, Maeve Noone-Price, and Olivia Roberts. Honorable mention awards went to Merit Brent, Dakota Costa, Fiona Edwards, Coleman Norton, Benjamin Pickard, Isabella Thomas, Wyatt Walker and Polly Watson. Congratulations to all Boston Globe awards winners.

"The pitcher" created by Michelle Frank is a great black and white piece (above) and contrasts with the background called "All mouth No trousers" made by Julia Apatow (background).

Senior, Sabrina Kane, is sketching an abstract piece for her drawing class. (above)

# NAUSET POPS

The 2017 Nauset Pops was a great success. Students showcased their talent with music from the 80's.

Students were able to show off trendy hairstyles and neon colors to support the theme! All of the different instruments worked together to create beautiful music for the intrigued audience and an amazing night for the musicians, family and friends.

Mr. Macdonald was very happy to be at the Pops concert supporting his students! (left)

The chorus was a great aspect to the concert, providing beautiful sounds and a great show (above). Kieran Norton making some noise on the drums during the 2017 annual pops concert (right).

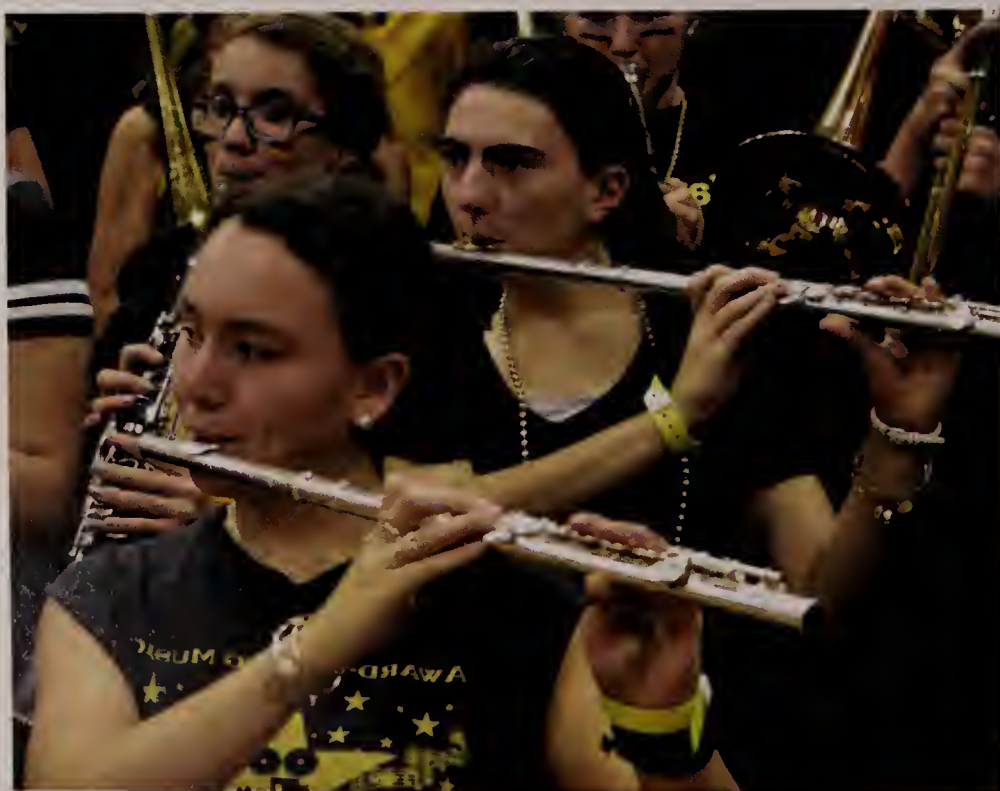

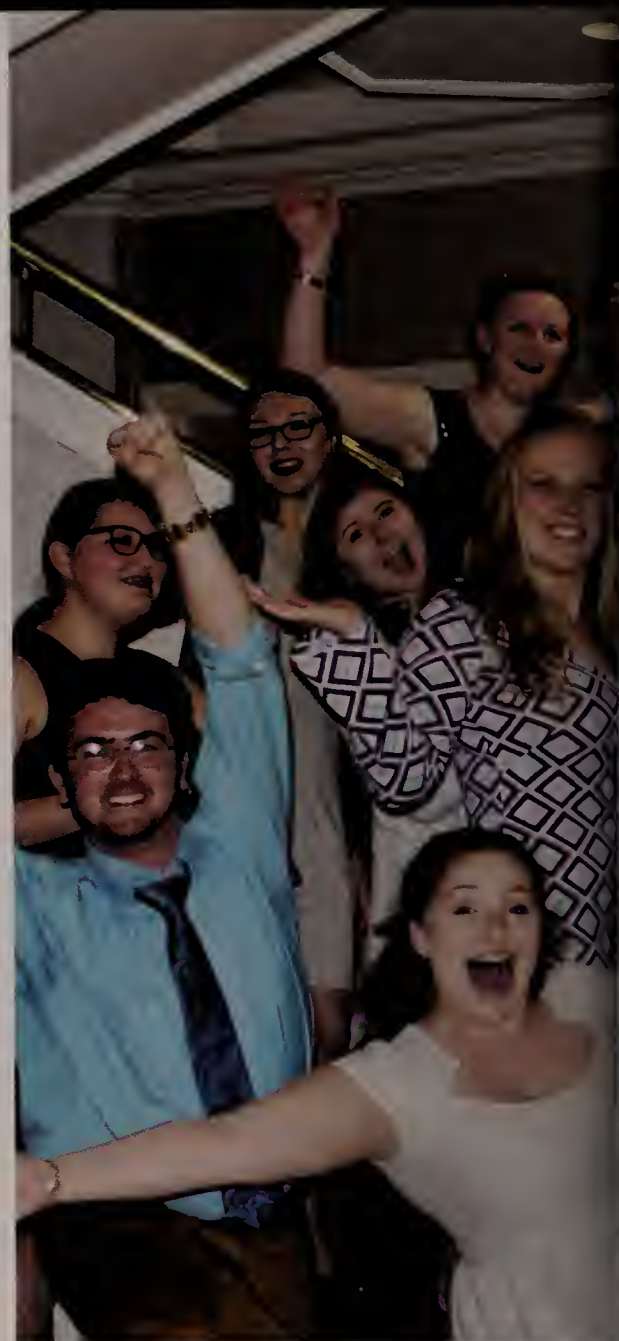

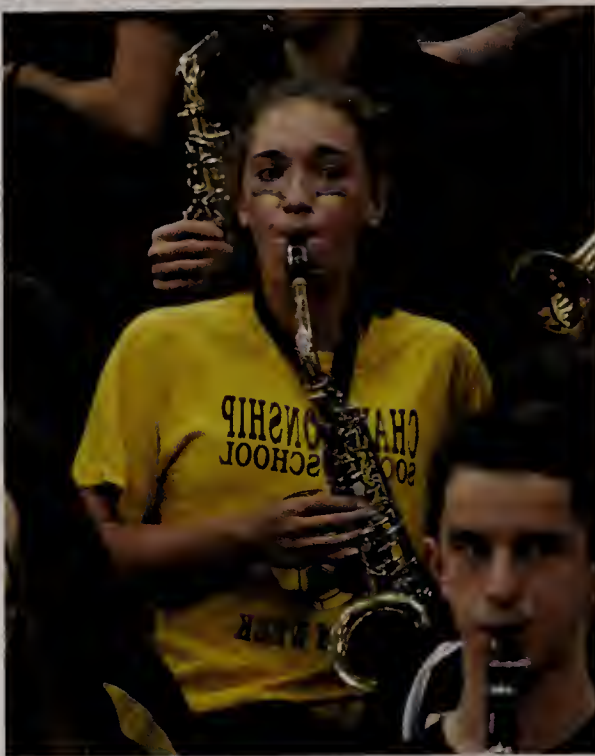

# Nauset Music Department

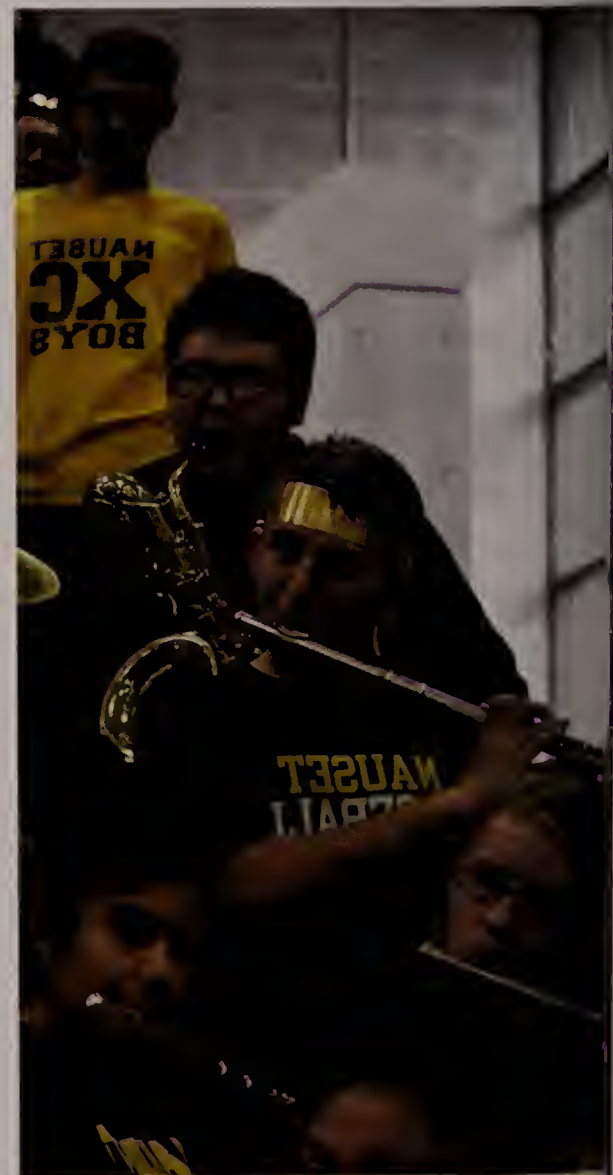

Freshman, Kara Moore is a great asset to the band group and played the saxophone during the Pep Rally (right).

Brooke Linnell and Christian Lynch pose with their trophies, the choirs won **FIRST PLACE GOLD** in Montreal.

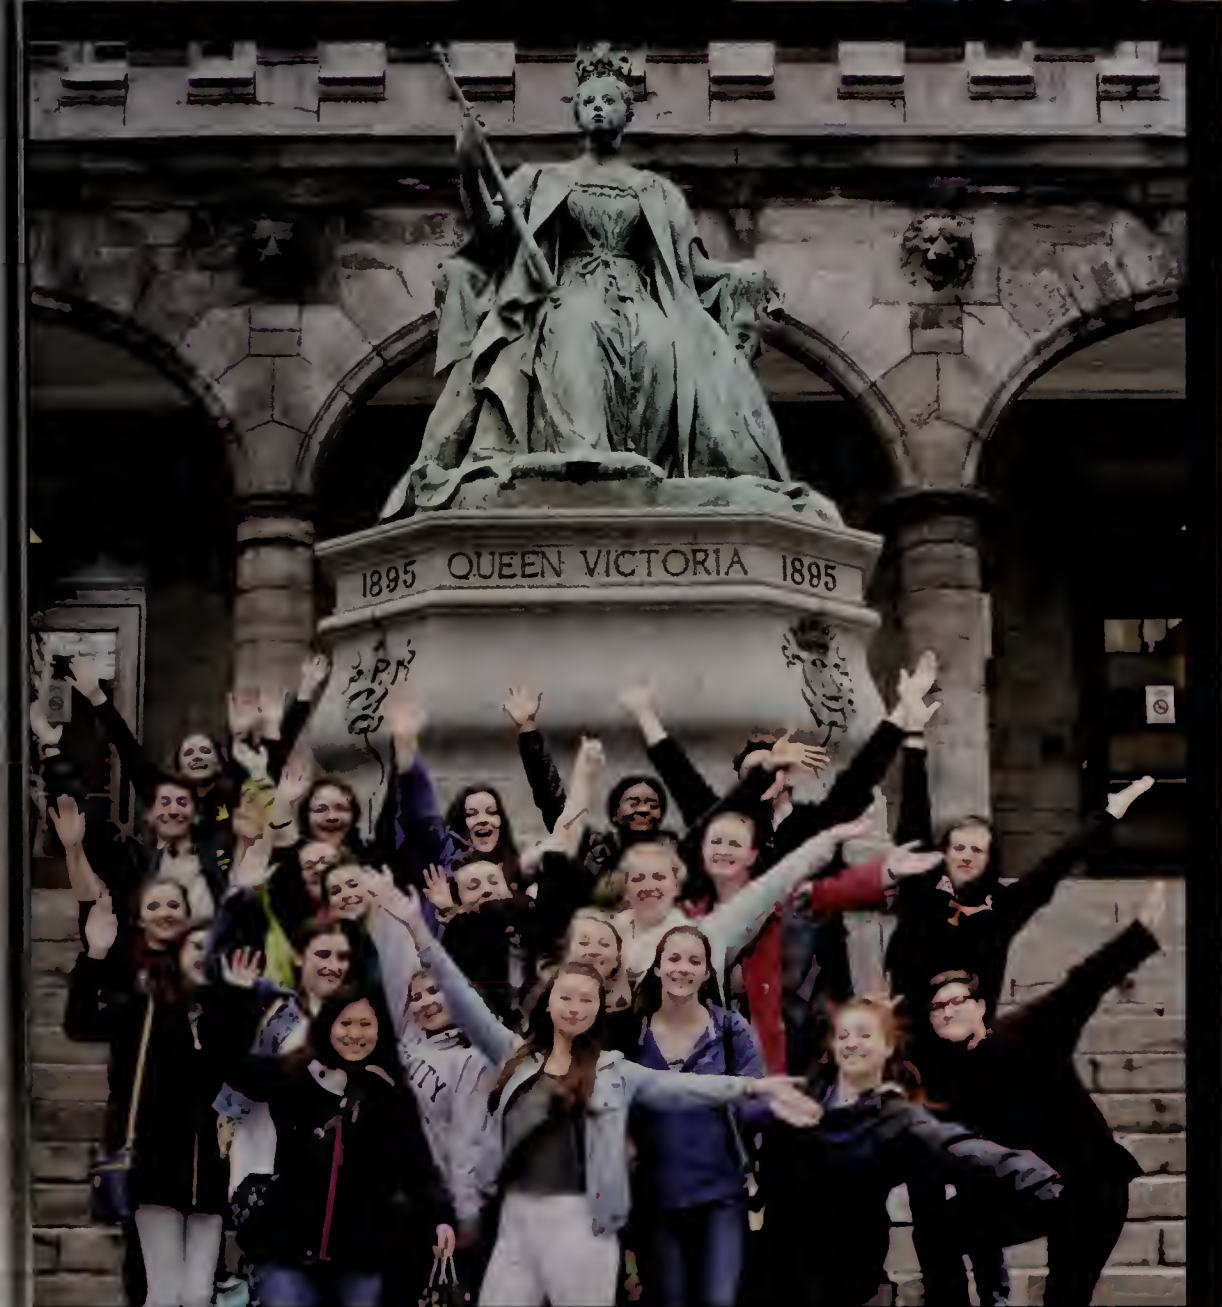

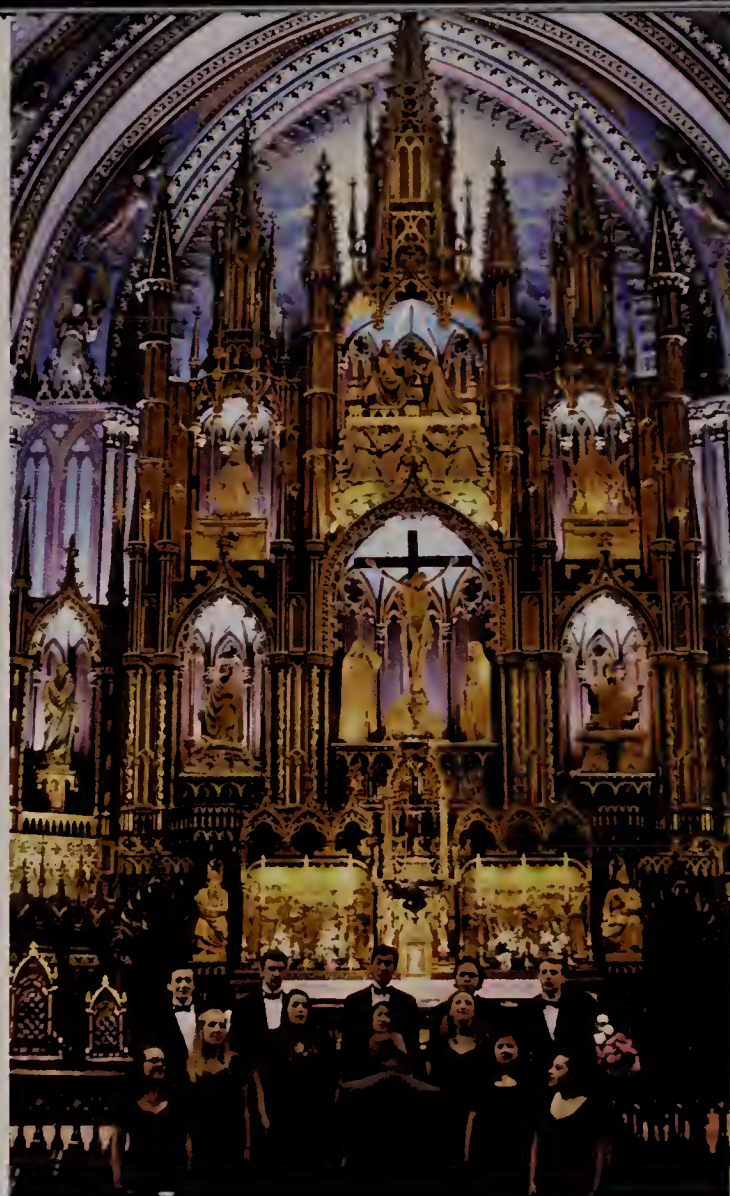

Sophomore, Taylor Branch plays the flute beautifully during the annual Pep Rally (above).

The different instruments worked well together and created a great show for the students and staff! (right)

Nauset's three choirs traveled to Montreal in April. They celebrated their win at the Queen Victoria statue. Nauset's chorus had the best overall score at the competition (to the left).

## THE NAUSET PLAYERS

The Nauset Players began the school year with the challenging and moving rock opera, *Rent*. It was an amazing accomplishment and the entire ensemble cast should be proud of their work for a long time to come. Next was the Honors Acting performance for the METG festival competition. This year, they performed Bert V. Royal's *Dog Sees God*, a play that deals with difficult issues such as gay bashing and teen suicide. In the spring, the Nauset Players put on a production of *High School Musical*. Featuring Assistant Principal Sean Fleming as Coach Bolton and Karen Hepinstall as Ms. Tenney, the show was a great success and the whole cast and crew had a blast putting it on.

Maureen (Emma Fillion)  
encourages the audience to "Moo".

A dead Mimi (Tess LeConey) is held by Roger (Jared Walker), who is singing a love song he wrote for her.

The Cast and Crew celebrate winning the Preliminary round of the Festival (top right).

CB (Gus Judd), Van (James Tooker), and Rerun (Andy O'Sullivan) ponder the afterlife and reality on their wall (bottom left).

Beethoven (Oscar Spiegel) plays the piano to open the play.

Van's Sister (Gina Trott) and CB (Gus Judd) chat for the first time since Van's Sister was locked into a mental institution for lighting a girl's hair on fire.

This play is a take off of the Peanuts characters. Rather than the lightness of the comic strip, however, the play is about finding oneself in high school years. The group won their first round of the competition, taking away 3 acting awards. At the semi-final round they again won 3 acting awards as well as the costume award.

"The Haiti Trip is an opportunity in which Nauset students accompany Lisa Brown on a trip to Haiti centered around providing aid and support to the Haitian people, as well as learning about the amazing Haitian culture through meaningful immersion experiences."

Matt West on behalf of  
Nauset Haiti Project

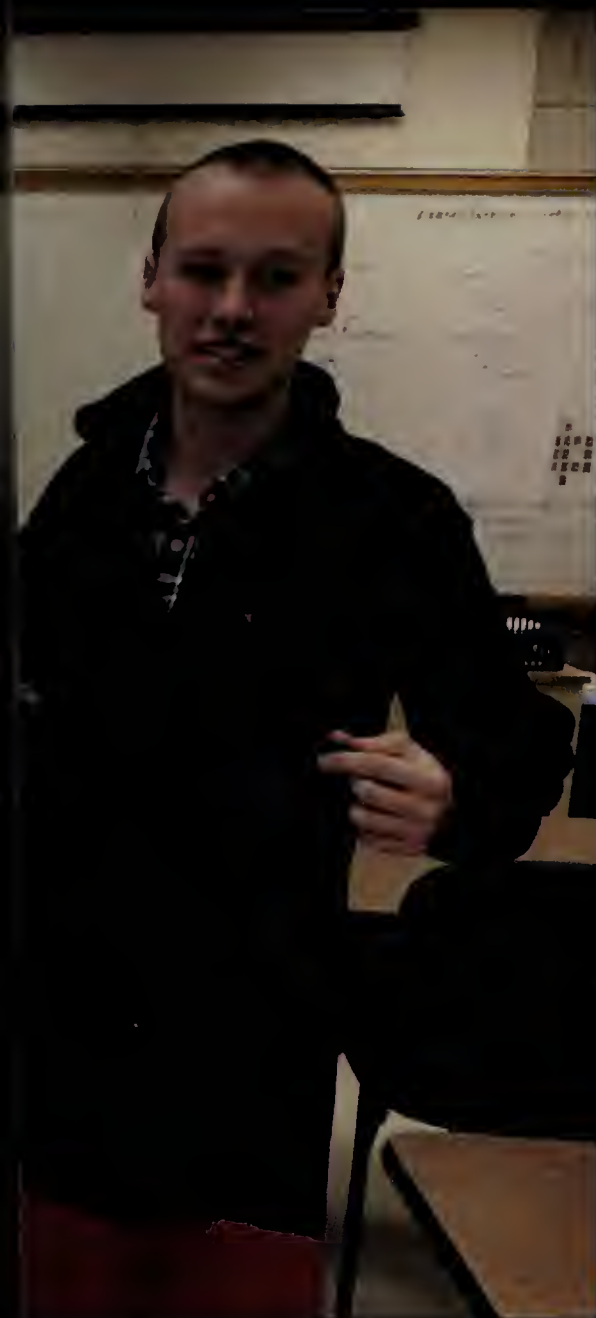

# The Haiti Project

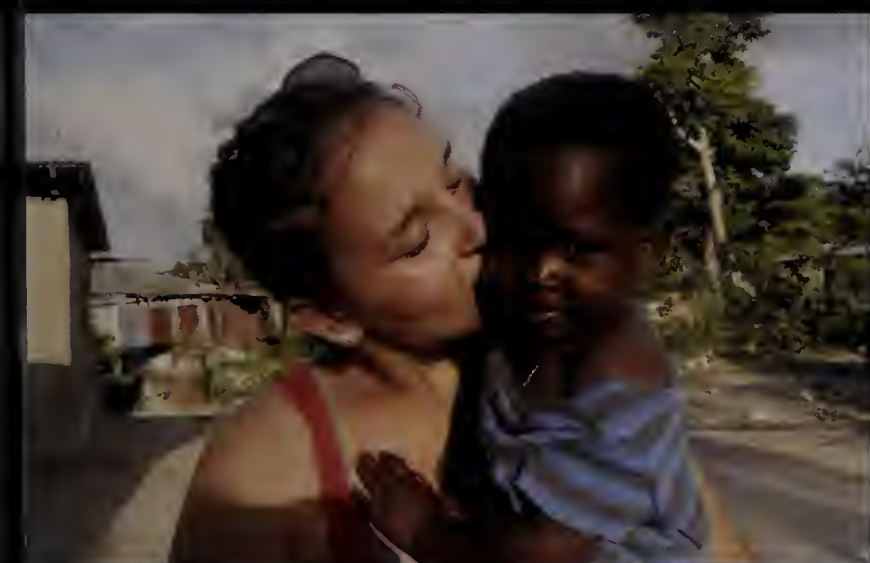

This year the Haiti trip consisted of five students who distributed shoes to an orphanage, embed with families in the village, worked in the local primary school, helped with English classes in the secondary school and created a first time partnership between the Matenwa Youth Group and Nauset's Human Rights Academy. Our focus in the partnership is to support and promote women's and children's health, education, and agriculture.

The Nauset Haiti Project will be providing Haitian children with 50 pairs of *The Shoe That Grows*, a sandal that can grow up to 5 sizes and can last for 5 years. Haitian children suffer from soil-transmitted diseases and parasites due to lack of shoes. This prevents them from attending school and receiving an education.

# STUDENT COUNCIL

The members of the student council have worked to develop qualities of leadership and responsibility at Nauset Regional High School, proving to promote spirit to encourage cooperation among the classes, and to become more involved with all Nauset Communities. They work to build up a stronger relationship between the students, faculty, administration, and the community of Nauset Regional High School District. The student council members work to establish understanding between the student body, faculty and administration to initiate service projects and other activities for the betterment of the school and will give organized support to educational, recreational, social, and charitable activities initiated and sponsored by the school.

Our International Chapter of the Human Rights Academy had the opportunity and the privilege of attending an inspirational Global Student Leader Summit on Human Rights, History and, Democracy in the Hague, Netherlands in Europe. We attended a conference where we heard from keynote speakers, Nicholas Kristof, Sheryl Wudunn, Arun Gandhi and, Ndaba Mandela who reminded us about the importance of what it means to spread empathy and, social justice. Our focus at the conference was to work with 1500 students from all over the world to try and find strategies to give aid to the refugee crisis.

The Nauset Boys Soccer team had an unprecedented season this fall. The boys went 18-0 in the regular season, and 23-0 overall with only conceding 1 goal, in the State Championship game versus Mascomonet High School, still winning, 2-1. The Nauset team has been recognized as #9 in the entire country. It is the first State Title since 1979, when current varsity head Coach John McCully, was the captain. Coach John

McCully has been recognized as Coach of the Year in all of New England. The boys focused on one game at a time, not allowing anything to interfere with their one team goal: to win the State Championship. The three Senior Captains, Hayden Yakola, Ben Mullholland, and Jake LaBranche created a family-like feel to the team, long before the season actually started, which they say helped them in the long run. This season is definitely one to remember by the entire Nauset community.

The 2016 Field Hockey Team was a focused and ambitious team. Their main goal was to qualify for the State Tournament, and had an overall record of 8-9-2. Early on in the season, the girls beat the Monomoy Sharks, and turned around to beat Monomoy at home, a huge accomplishment and was the most pivotal win of the season. The biggest highlight of all was beating Mashpee in the last game of the season, in miserable weather conditions in order to qualify for tournament. Although the girls lost in the first round against a strong Mansfield team, they played hard and never gave up. The four senior captains, Megan Jusell,

Lucy McNamara, MacKenzie Meads, and Emma Stevens were strong leaders and role models who guided the team from the off-season through the regular season, on the team's journey to success. The First Team All-Stars consisted of Lucy McNamara, Emma Stevens, and MacKenzie Meads, and the Second Team All-Stars consisted of Maddie Morris. MacKenzie Meads led the entire ACL in goals, and both MacKenzie Meads and Emma Stevens were nominated for the best 60 All-Star Seniors in the state.

*The 2016 team would like to recognize and thank Coach Quill, for her hard work and dedication to the Nauset Field Hockey program for the past 30 years.*

# G Nauset Girls Lacrosse

The 2017 Nauset Regional High School Girls Lacrosse team trained hard during pre-season to be ready for the competitive season ahead of them. Captains Lauren Schiffenhaus, Mackenzie Meads, Greta Walther and Georgia Benz all pushed their teammates to have a successful season. The majority of the varsity team is made up by the senior class, but the junior and sophomore classes assisted in many ways on the field throughout the

season. Head Coach Heather Stevens did an outstanding job preparing her girls for the spring season. The team worked hard every practice and game and had fun while doing so.

# Nauset Boy's Lacrosse

The Nauset Boys Lacrosse team had another successful season, with many returning varsity players and also new freshmen. All of the boys worked together to score and defend. Senior captain, Nick Hull worked the team hard during the off season in order for them to perform well this spring. They will continue to work hard to improve in the following seasons. Congrats on a successful season boys!

# Nauset Softball

The Softball team has grown so much in the past seasons and this year was no exception. There was only a varsity team this year which allowed the girls to bond quicker and work together for a productive season. The team was led by senior captains, Natalie Salvador and Bella Silva. The two of them pushed every player to improve throughout the season. Every girl finished the season being a better softball player and

teammate than when the season started in March. The majority of the players on the team are underclassmen so they will be able to continue to work hard in the off season to do even better next year. Congratulations on a great season, and keep up the hard work for next year!

Freshman, Toni Young, and sophomore, Eliza Campbell, work together to get a runner out at second (top left). Freshmen shuffles to pass the ball (above). Freshman Toni Young makes a quick pass towards third (above).

# Nauset Baseball

The Nauset Regional High School baseball team put forth lots of effort in the offseason to prepare for the 2017 baseball season. Coach Mason (head varsity coach) worked hard to train his players to have another successful season with the boys. The four captains led the team and pushed everyone to play their best in every game. The team played at Eldredge Field in Orleans where everyone came out to cheer on the Warriors!

**The International Coastal Cleanup** is the world's largest volunteer effort for our ocean and waterways. People all over the world remove trash from the shores and record what is found. Ocean trash is a serious pollution problem that affects the health of people, wildlife and local economies.

To help in this effort, a group of Nauset staff and students generously gave their time to help clean up one of our local beaches, Breakwater Beach in Brewster.

Lonni Briggs, a representative from the Wellfleet Recycling OrganizationnAmericorp.

Students participating in the 38th German Exchange program are Sam Colgan, Ethan Davis, Emma Fillion, Anneliese Furlano, Liam Handville, Doug Karlson, HaiDi Pye, Alex Roy and Isaac Wolfe.

The entire German/American group took time for a memorable photo outside Nauset High School on a warm spring day.

During the German's visit to Cape Cod, many excursions were planned including Provincetown and New York City.

# GERMAN

# EXCHANGE

“In April 2017

nine students and Mr. Allen traveled to Düren, Germany as part of Nauset’s 38th annual German Exchange Program. Nauset students also hosted eleven partners from our partner school in Germany, the Gymnasium am Wirteltor. While in Germany, Nauset

students visited the cities of Hamburg and Bonn, as well as the Hürtgen Forest and the Eifel National Park. Most importantly, they developed long-lasting international friendships with their partners and immersed themselves in the language and culture of Germany. Lang lebe die deutsch-amerikanische Freundschaft!”

Being strong is to love someone in silence, to radiate happiness when we are unhappy, to forgive someone who does not deserve forgiveness, to stay calm in moments of despair, to show joy when you don't feel it, to smile when you want to cry, to make someone happy when your own heart is broken, to be silent when we feel like screaming our anguish, to comfort when we need to be comforted, and to continue to have faith when we no longer believe.

We would like to say a special thank you to Anton Anderson for photographing games and campus events and Bill Johnson additional sports photos. Mrs. LaBranche, thank you all of for your help along the way. Without the dedication of Mrs. McGown, the book would not have been finished.

This year's edition of the Nauset Tides Yearbook is filled with firsts. Most notable is that it is Nauset's first all **COLOR** yearbook. We also switched yearbook companies and are now more technologically advanced than ever! Our cover features Jodie Wanco's photo of Coast Guard Beach.

We had a late start due to our new program, but were able to get everything done in time. We were also fortunate enough to get new computers which allowed us to work faster. The editor this year was Aida O'Hara who has been a part of the yearbook staff for four years and Coeditor was Madi Durocher.

The athlete cutouts are also a new feature in this year's book. Thank you James Tooker for your help with the graphic design. The yearbook staff had a representative from all four grades, making it a well balanced effort.

Congratulations to the Nauset Class of 2017!

# Mr. Andrew Clark

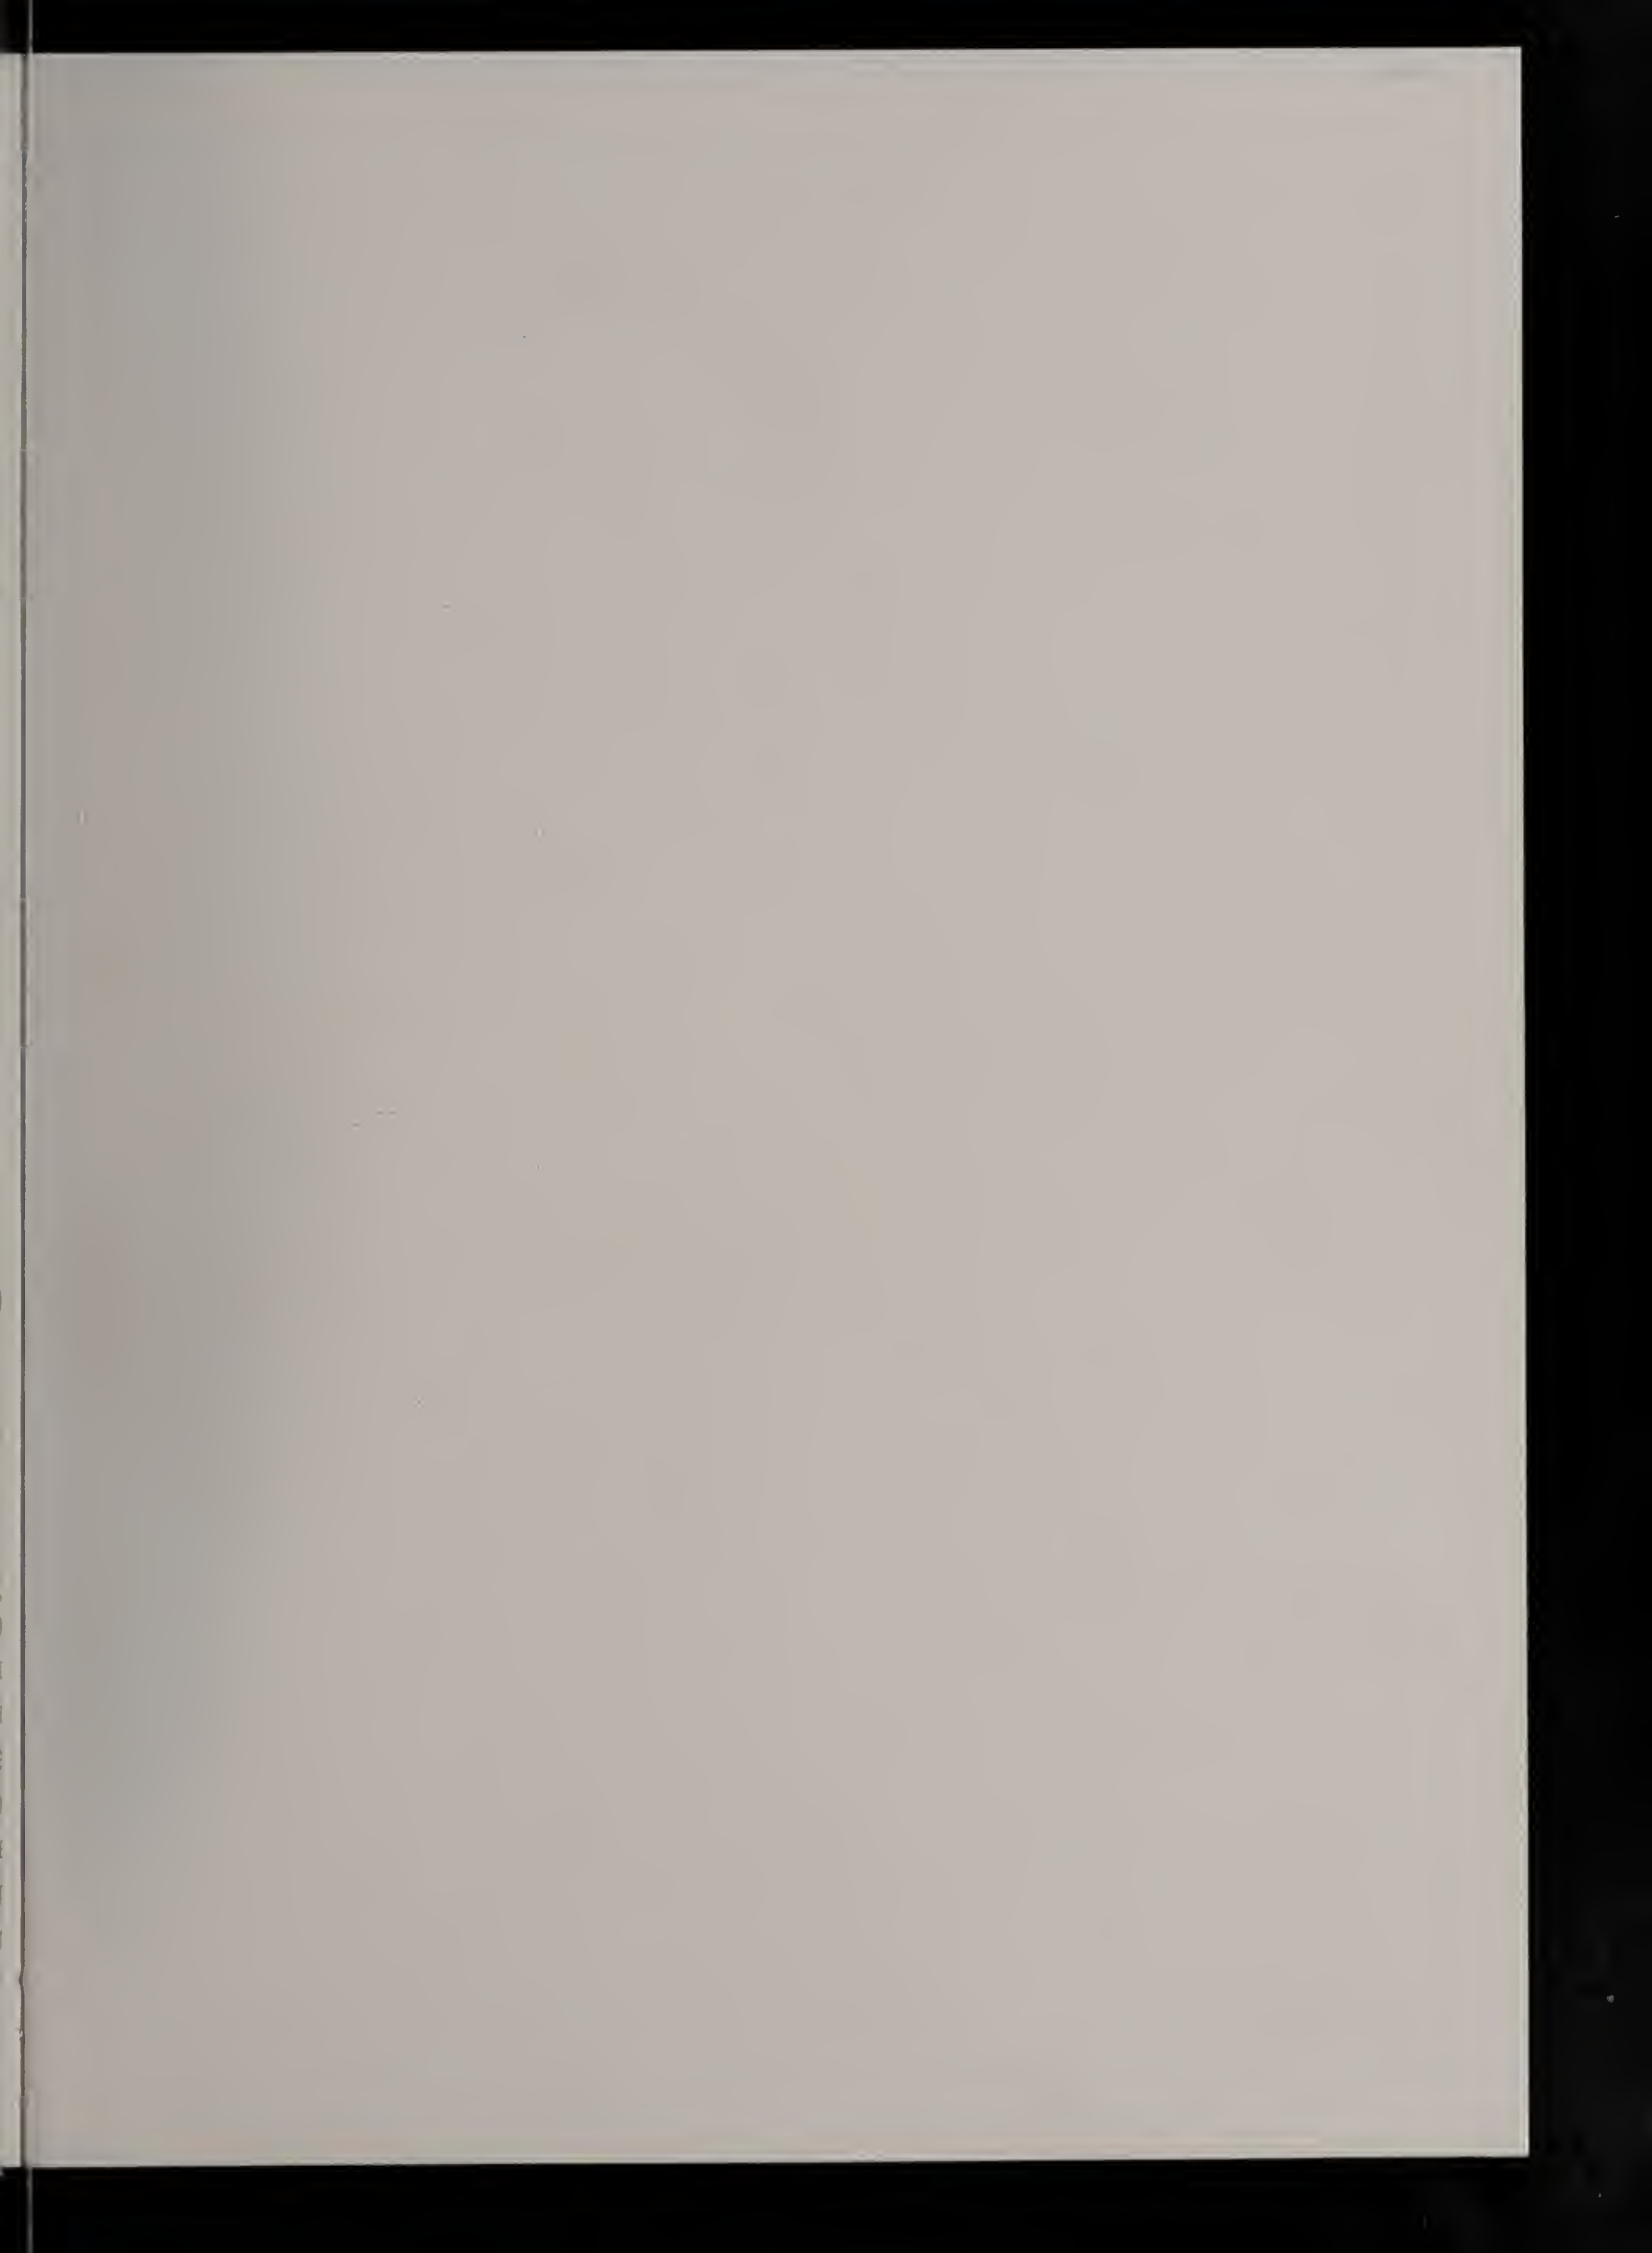

When Nauset students were asked what words come to mind to describe History teacher, Mr. Clark, their responses included the following:

Mr. Clark has been teaching at Nauset for many years. He currently teaches Honors Sophomore History and AP Art History, but no matter what the class, he always pushes his students towards greatness. He is passionate about what he teaches which transfers into a positive and energetic classroom environment. Mr. Clark will never turn away a student, and will go to great lengths to help them. By example, he teaches his students how to be respectable young ladies and gentlemen whether it's through a strong handshake or a quick insight at the beginning of class. Mr. Clark is a treasured member of the Nauset School Community which is why the 2017 Yearbook is dedicated to him.

Thank You for all you do Mr.Clark!
